THE PRIME DIRECTORY-1994, the first edition, was an original compilation.... bringing into one single document, critical information about all intermediaries associated with the primary capital market. Until then, knowing who the intermediaries were, what they did, what their performance was, how to reach them... was a complicated process. The benefits of having all this information on fingertips was the objective of THE PRIME DIRECTORY-1994.

An updated edition, THE PRIME DIRECTORY-1995, was formally released by Shri D.R.Mehta, Chairman, Securities & Exchange Board of India. The significantly updated 1996 edition was formally released by Shri J.Capoor, Chairman, Unit Trust of India. The subsequent annual editions provided new formats, new sections and updated information on the market and its intermediaries.

THE PRIME DIRECTORY-2023

The new edition presents significant updation of information over the last edition. It also identifies the intermediaries continuing in business, as also those who have gone out of business. The new Directory:

- has updated SEBI registration status for all intermediaries
- has updated addresses, phone numbers and e-mail addresses
- has updated information on key executives
- has updated ranking of each intermediary upto 2022-23

An overview of the Primary Capital Market for 2022-23 is also provided.

A COMPREHENSIVE ADDRESS DIRECTORY

ALSO A PERFORMANCE DIRECTORY

Moreover, overview tables of rankings for 4 years have been provided at the end of each section.
