THE PRIME DIRECTORY-1994, the first edition, was an original compilation.... bringing into one single document, critical information about all intermediaries associated with the primary capital market. Until then, knowing who the intermediaries were, what they did, what their performance was, how to reach them... was a complicated process. The benefits of having all this information on fingertips was the objective of THE PRIME DIRECTORY-1994.

An updated edition, THE PRIME DIRECTORY-1995, was formally released by Shri D.R.Mehta, Chairman, Securities & Exchange Board of India. The significantly updated 1996 edition was formally released by Shri J.Capoor, Chairman, Unit Trust of India. The subsequent annual editions provided new formats, new sections and updated information on the market and its intermediaries.

THE PRIME DIRECTORY-2025
